Dependency Class - This designation is assigned in accordance with the schedule established by law and remains in effect for the benefit year.

Total Benefits Payable - This is the total amount of benefits that can be paid to the claimant during the benefit year. The total is computed by multiplying the weekly benefit amount by 20 (for the first 20 qualifying weeks in the base period), plus one times the weekly benefit amount for each additional qualifying week. Total benefits cannot exceed 26 times the weekly benefit amount.

Employer's Amount Chargeable - This is the amount of benefits that is potentially chargeable to each employer's account.
